CHAIRMAN'S MESSAGE

It is with great honor that Azizi Developments presents Mina by Azizi. As Chairman and Owner, it is a privilege to introduce to you not only a distinctive standard in Azizi's capabilities, it is also a true testament to a personal legacy.

Named after my own darling granddaughter, Mina, this unique building, located in the most splendid location in Dubai, is a marvel in both architecture and living. It is a fitting reflection of my love for her, and the importance of family when making decisions for life. This project sets new standards in planning and world-class consultation, design, natural environment and lifestyle. It provides an unquestionable bond between nature, habitat and family, and is befitting those who demand the very best for themselves, and for those they love most. There's no better way to create an enduring connection with one's family, cementing a concrete bond between parents and children. This is Azizi's most personal project to date, and there's no better way to witness this unique opportunity than with your own eyes.

Mina by Azizi is an endeavor that reflects a family legacy. Not just mine, but everyone's.
