

OVERVIEW

THE NEW BENCHMARK OF MODERN LIVING

Al Vista is a contemporary mixed-use destination that brings together elegant residences, modern workspaces, and vibrant retail in a single, well-connected address. Its prime location in Meydan offers immediate access to the city while maintaining a sense of calm and elevation.

Thoughtfully planned open spaces, refined architecture, and expansive views of the lagoon and skyline create a setting where life feels balanced and quietly sophisticated. Every element is designed to enhance daily living and deliver long-term value through comfort, convenience, and modern design.

Al Vista stands as a new benchmark in urban living, a place where ambition meets elegance, and where home, work, and lifestyle come together with effortless harmony.

TWO TOWERS. ONE PRIME DESTINATION.

Al Vista is defined by two contemporary towers that rise together as one unified destination in Meydan. The residential tower offers bright, modern living spaces designed for comfort and balance, while the office tower provides flexible, high quality work environments supported by vibrant retail at the podium level.
